

OUR CORE VALUES

1

Clients First!

Clients trust us to take care of their technology and we take that seriously. Always ask what is best for the client.

Our team will overcome obstacles, find solutions and deliver exceptional results.

2

Self-Employed Mentality

This isn't just a job, we are all vested in the company's success and as the company succeeds, so do we.

We all have the power to make our company better.

3

Respect & Trust

Always doing right by our clients.

Always knowing that we are all working towards a common goal. We value the talent, time and intentions of everyone we work with.

4

Optimism

Look at things with a positive eye and open mind in the business and our lives. See the good in things first.

5

Team On A Mission

ASG is made up of amazing individuals, but it's only through teamwork that we achieve "World Class" success. We're committed to helping our clients by working together with equal parts humility and ambition.

6

Today, Not Tomorrow

Approach decisions with the idea of getting them done today, not tomorrow.

7

Communicate

To each other and our clients.
Always.

8

Innovation

Always look for ways to make things better. We have a curious, learn-it-all mindset. We continually seek improvement and innovation.
